Abstract

This paper presents an edition and annotated translation of the namaskārapaddhati, the section comprising verses of obeisance, of the Sūktimuktāvalī, an anthology of Sanskrit verses compiled in the Deccan in 1257 CE. An introduction places the Sūktimuktāvalī in its historical context, discusses the identity of the compiler(s), and the structure of the anthology.

Keywords: Sanskrit literature; verses of obeisance; religious poetry; poetic anthologies; *muktaka* poetry; *subhāṣitas*.
